

## Investment Objective:

To achieve long term capital appreciation in a diversified portfolio of small capitalization stocks with both growth and value characteristics.

## Investment Strategy:

**Brown Advisory, LLC\*** follows a philosophy that low-turnover, concentrated portfolios derived from sound bottom-up fundamental research provide an opportunity for attractive performance results over time. They have a culture and firm equity ownership structure that help Brown Advisory, LLC attract and retain professionals who share those beliefs, and they follow a repeatable investment process that helps Brown Advisory, LLC stay true to their philosophy.

**Monarch Partners Asset Management LLC's** investment philosophy is based on value discipline, focused internal research, and risk aversion. They identify undervalued companies that possess catalysts that will enhance shareholder value. Monarch avoids value traps. They have a dedicated, experienced research team. Monarch's bottom up process is 90% fundamental and 10% quantitative. Their risk aversion includes diversification, daily monitoring of portfolio exposures, and a strict sell discipline.
