

**Investment Objective:** To achieve long term capital appreciation by investing in a diversified portfolio of mid-capitalization stocks with growth characteristics greater than the broad markets.

**Investment Strategy:** The investment manager, **TimesSquare Capital Management, LLC**, uses a unique bottom up, fundamental, research-intensive approach to identify midcap growth stocks with the greatest potential to achieve 25%-50% price appreciation over a 12 to 18 month horizon. TimesSquare invests in companies with market capitalizations between \$1.5 billion and \$10 billion at time of purchase. Investment ideas are primarily internally generated and confirmed through traditional financial analysis, company visits, and management assessments.

**Investment Management Company:** **TimesSquare Capital Management, LLC**, a registered investment adviser headquartered in New York, NY manages assets primarily for institutional clients including corporate pension plans, endowments and foundations, public pension plans, and pension plans. TimesSquare's clients benefit from high-level industry experience through the investment, client servicing, and marketing teams. This depth of knowledge is augmented by the stability of the organization and the long-standing tenures of the firm's professionals.

TimesSquare is a significantly employee-owned organization and is an independent affiliate of AffiliatedManagers Group, Inc. (AMG), an asset management holding company.

**Investment Managers:**
