TO: Plan Participant, Church Treasurer, or Benefits Administrator  
FROM: PCA RBI Office  
SUBJECT: PCA Group Insurance – Paperless Invoicing, Online Payments, Payment Concerns  
DATE: May 2020

Take a moment today to review the announcements and notes in this memo. We thank you for forwarding this memo to the person in your church who is most likely to handle benefits and insurance information.

The past weeks have brought about changes for the entire population of the United States and indeed the world as we are all meeting the requirements given in the attempt to curb the spread of the COVID-19 virus. We know these changes have affected the daily schedule for every member of your family and for everyone in your congregation as well – we empathize with you.

Additionally, our entire RBI office staff is working from home and understand similar changes have been put in place for your office staff as well. We are using this memo to remind you of a couple of options that are helpful to all of us as we work remotely and are seeking the most efficient ways to do so.

Invoice via Email:  
We thank those churches who in the past few weeks have updated to our “paperless” option of receiving the monthly invoice as a printable .PDF email attachment. As we move toward our goal of 100% receiving the Group Insurance invoice by email attachment, you may request this update by sending the recipient’s name, email address, church name, and org number by email to insurance@pcarbi.org. As you do so, future invoices will be emailed on or before the fifth of each month and may be printed and processed as usual or forwarded directly to your treasurer for submitting payment.

Again, we thank you for joining the others who have updated to the email invoice option. Not only does this help curb our costs for printing and postage but will help as we all comply with social distancing requirements.

Online Payment:  
We want to encourage you to take advantage of the option to pay the monthly invoice online. You may access this option by logging into our website to submit the Group Insurance invoice payment by XpressPay. You will find this payment link on our website: www.pcarbi.org/login/ and by selecting the link to Pay my organization’s group insurance invoice. You may pay the Insurance Total Now Due via credit/debit card or ACH check. You also have the option to set up an account in XpressPay to use the same payment details for upcoming months. Alternately, payments submitted by check are processed manually by lockbox personnel. We appreciate your online payment to facilitate remote payment processing.

Payment Concerns  
The past weeks and upcoming weeks of live streaming weekly church gatherings may have had an impact on your collections of tithes and offerings. We understand this could cause some payment and planning issues as you keep an eye on monthly cash flow. Please reach out to our office either by phone call or email to discuss concerns you may have about paying the insurance invoice for your staff. We will be happy to work with you and the premium payment.

Call our office today with questions you may have about the information in this memo. You may also send your question by email to insurance@pcarbi.org.

| How to let RBI know of Staff Employment and Benefit Changes: |
| 1. Make a copy of the current invoice page where the employee’s name and coverage are listed. |
| 2. Add a note under the employee’s name with the effective date of the change (MM/DD/YY) and include a short informational description or explanation for this change and the termination of benefits. Some examples are: Part-time as of this date, Retired, Resigned Call, Terminated, End of Call, etc. |
| 3. Mail, FAX, or email this page to our office for processing. Our mailing address, FAX number, and email address are listed above. Please do not include employment changes with your monthly payment via lockbox. |

**PCA monthly coverage is terminated as of the last day of the last month the employee worked.** RBI will process the employment change as well as premium credits for the month the employee was on your invoice beyond the last date worked. Premium credits will be reflected on your next monthly invoice.
