**Online Options for Insurance and Retirement:**
You may email or call our office to request details for how to process insurance payments or retirement plan contributions via the online tools now available.

**Insurance Invoice Payments:** Access to XpressPay for your online payment is available from our website and from the link on the emailed invoice. You may pay the Insurance Total Now Due via credit/debit card or ACH check. You also have the option to set up an account to use the same payment details for upcoming months.

**Retirement Plan Contributions:** Online contributions may be set up for those who participate in the PCA 403b Retirement Plan. Current users appreciate the online process and find it is more efficient. A favorite feature is the recurring contributions which may be set up in advance by selecting future contribution dates.

**2021 Premiums and New Invoice Total:**
The January invoice reflects the new 2021 premiums as announced on the 2021 Rate Sheet in October.

- Before processing January’s payment, please confirm the new January Total Now Due which includes the new Enhanced Life and Long Term Disability premiums for those enrolled in those products.
- If your payment is processed through on-line banking, you may need to touch base with the bank to update the invoice Total Now Due.

**Reporting New Hires and Employee Terminations to RBI Office:**
We consider you our key contact for keeping current with New Hires and adding PCA insurance within the first 30 days of employment as well as for letting us know of someone retiring or ending their employment.

- Take time to review each monthly invoice and confirm eligible staff is listed with current benefits.
- Please submit New Hire forms and employment changes to our office by the 25th of each month to allow processing time for the upcoming monthly invoice.
- Make every effort to report employment changes to our office in advance of the change or within 30 days after the change also by the 25th of the month as noted above.
- Forms and requests received after the 25th may be held for processing after the first of the next month.
- Additionally, please note that PCA insurance product coverage ends at midnight of the last day of the month of termination.
  - Unless and until a terminated employee ports insurance coverage for Life or Disability to an individual policy, there will be no further coverage after the termination month-end.
  - For PCA Dental and Vision coverage, there is no port or COBRA option after termination.
